These are hand made quilt tops and although can be computerized quilting is done there are still humans involved and we are not perfect. We cannot promise flawless results. We do everything in our power to make sure your happy with our service, but by giving us your quilt you are trusting our experience, judgement, and heart to get you the best results. Please understand that if a top is not square or the borders do not lay flat there maybe a minor ruffle at the bottom of the quilt as it is finished. We do our best if possible, to fix or reduce those occurrences.
